Date / / Signature of buyer

Date 01.01.2024 All prices before VAT, including packaging ex factory. The general Terms and Conditions of Alber GmbH apply. Subject to changes.

- In order to smoothly and quickly process your order we require ALL information in the fields highlighted in blue.
- Installation kits can only be shipped to trained specialist dealers (installation training).
- Please send the wheelchair with a copy of this order as soon as possible and freight paid to Alber.
- If the manual wheels are used in combination with e-fix, they must be equipped with 1/2" stub axles, without drum brakes and tyres of size 1 3/8".
- If present, drum brakes must be dismantled as they are not compatible with e-fix drive wheels. The use of standard lever brakes is required.
